OWNER	PARCEL #	ADDRESS
Unknown Owner	AUCTION-29740	Section 20, Maple Twp., Monona

Suggested Annual Rent

\$256.5/acre

Corn futures \$4.50/bu × 57.0 CSR2

Formula: Corn Price × CSR2 = Suggested Annual Rent

Iowa Market Analysis

In Monona County, Iowa, the land market is experiencing a mild decline with a 3.5% year-over-year decrease, influenced by lower grain prices and increased interest rates. Recent sales demonstrate a range of \$4,900 to \$7,700 per acre, depending mainly on land quality and CSR2 ratings. More prospective sellers are seeing lower-than-expected auction

Date	Price/Acre	Details	Acres	County
2025-03	\$6,300	Tillable land	193.5	Monona
2025-03	\$7,700	Tillable land	80	Monona
Average Comparable Price:			\$7,000/acre	

- Market Factors:
- decreased grain prices
 - higher interest rates
